1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric A. LaMorte on March 9, 2005.

Cancel claims 8, 11 and 12.

2. Claims 1, 2, 5-7, 13 and 15 are allowed.

3. The outstanding restriction requirement was discussed in the noted interview. The examiner maintains that claims 1 and 13 are distinct from claim 8 in that the process of claim 8 can be practiced without the use of fasteners as recited in the product(s) of claims 1 and 13. Reference to "connectors" in the Office action mailed September 24, 2004 was a typographical error.

4. Any inquiry concerning this communication should be directed to Robert M. Fetsuga at telephone number 571/272-4886 who can be most easily reached Monday through Thursday.
